PRESIDENT BUSINESS

I start with the sad news with the loss of members in Don Parker; Bernie Hill and Margaret Seton. Our thoughts go out to the families.

On a good note, our season started well with the Summer Cup. Well run by all of those involved with good numbers attending. Special thanks to Russell and Daphne Cross a great job well done.

To our greenkeepers in Iain, Alan and Chris, no fuss the jobs are always done and it makes my life easy. Five years ago, Alan started making our Tees a feature of our course, they are now finished and are a credit to him.

Thanks to the Ladies for the meals that have been provided during the year. The Summer Cup and the Open Days were excellent.

Kevin our Men’s Treasurer running the money wheel and raffles and many other ways to take our money. Thank you.

Thanks to the committee members for the years’ work. Gaylene as Treasurer always on time keeping things running smoothly. Special thanks to our Captains Margaret and Peter and their teams who keep the golf running all year round.

Congratulations to our club champions for 2019 in Shirley and Shaun.

We have been given the right to host the State sand Green Championship in 2020 and the committee will be looking to a large number of members to help during the four days of the event. This will be a great chance for us to showcase our course as a lot of players have never heard of us. There should be a long-term benefit from visitors to town.

Let’s hope it goes well.

The club is in a comfortable financial position and should stay that way with no major works planned in the coming year.

I wish you all a Merry Xmas and good golfing in the New year.

Brian James

President

COMMITTEE MEETING BUSINESS

Your Committee meets every 3rd Monday of each Month.

For meetings to be productive, it’s very helpful if the committee members have had a chance to consider & prepare before attending the meetings. Agendas are sent out a week in advance of the meeting. This allows more informed discussions to be held at that meeting. If you have matters that you considered should be on our agenda, please discuss with a committee member or send an email to the Secretary, (or leave at clubhouse) ensuring time for the matter to be considered for the agenda.

SAND GREEN BUSINESS August 6th – 9th 2020

Riverview will host the 2020 Aglime State Sand Green Championship from 6-9th August.

This is the major sand green competition run by GolfWA and will attract up to 200 players to our course including some of the state’s best young players from Perth. The event provides a huge financial boost for host clubs but brings with it a lot of work.

The committee will be asking for members to assist with the running of the event and there will be opportunities for our members to contribute in a wide range of roles. The catering for the weekend will be an enormous task and Dot Ruck has bravely offered to coordinate the kitchens.

Alan James has offered to manage the event and will be looking for assistance with starters, spotters, help for the ground staff, dishwashers, parking attendants, waiters, cleaners and so on. This will be an opportunity for members to pitch in and lend a hand, be it for a day or an hour. Check the job lists when they are published and see how you can help your club.

This event will be a rare opportunity to see some really talented golfers playing the game as it should be played. I highly recommend members walking a few holes to see these players master our course. We hope that our members will embrace this event. Join the events as players and offer assistance when not playing.

Thursday 6th August: Super Scroungers 2 Person Ambrose: run by Riverview:

Friday 7th August: 4BBB Stroke run by GolfWA

Saturday-Sunday: 36 Hole Stroke Championship run by GolfWA

Email Business

If you have received this newsletter by post, the Club is not holding a valid email address for you. Please notify the Secretary of your correct email address by sending a note to riverviewcc@westnet.com.au.

Using emails saves time & effort for your volunteering committee and certainly saves on printing & postage costs for the club. For those who just won't or can't make the change – ok don't stress, we'll live with that.

For those who are a bit interested and maybe a bit shy or awkward about emails, friendly help is just a call away. You'll be surprised how easy it is and how much enjoyment you'll get out of learning something new.

You do need an internet connection, a computer or an iPhone or android phone.

Several club members would gladly help you set things up on your phone or home computer if needed. The Secretary will eagerly help. The more members using email the easier Secretary's job gets.
